TELLING MY 4-H STORY

(A reflection on your 4-H year)

The goal of the 4-H Story is to reflect on your 4-H experience this year and to identify ways in which it has affected your life.

Write a story that explains what you gained this past year in 4-H. Use specific examples that are unique to you whenever possible. Feel free to relate what you learned in 4-H to school, family, or other activities in your life. Use extra pages if needed. You should include things like:

- What you learned through your 4-H experiences
- How your 4-H experiences helped you to be a better person
- How 4-H impacted your life this year
- Life skills you learned from 4-H this year
- How you will use what you have learned in 4-H this year
- What or how you shared your 4-H experience
- What you liked best about your 4-H experience and why
- What you hope to do and learn next year
