

# Cloverbud Beach Ball Ice Breaker

This ice breaker is designed to both help the Cloverbuds get to know each other, and to help them learn a little bit more about the 4-H program.

Have the youth pass the beach ball around, have them state their name, and then answer whatever question their right thumb is pointing to. If they are unsure of an answer, help them out so that all of the youth may learn about that particular topic.

Beach Ball is available for checkout at the UW-Extension Office.
