Myself as a youth leader: (Explain how you were a leader during your 4-H year, what and how you led, and how you see yourself as a leader in one or more ways.)

These were the results of my youth leadership experiences: (Reflect on what you who benefited from your leadership, what others learned, and most importantly what you learned.)

My strengths and weaknesses as a leader are: (Explain leadership skills you are s and others that challenge you.)

I think these skills are important for effective youth leadership: (Tell about skills or knowledge that good leaders exhibit and how you work to illustrate those qualities.)

Next year I plan to develop these youth leadership skills by engaging in these experiences: (Write about skills you would like to develop and experiences you would like to try next year.)
