

BUBBLES

STEM Discovery Toolkit

Get ready to have a splash of a good time making your own bubbles! No bathtub required!

Lessons Included:

- Giant Bubbles
- Bubble Domes
- 3-D Bubbles

Life Skills Objectives:

Youth will gain critical thinking and problem solving skills by engaging in hands-on experiential learning experiences.

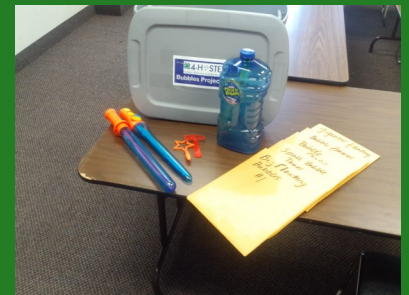

Learning Science Through Inquiry:

Students will discover the science behind a tetrahedral, test and experiment which solution works best for creating bubbles, and explore the concepts of surface tension and volume.

To request a STEM Discovery Toolkit fill out the [Check Out Request Form](#)

What's Inside?

- ⇒ Bubbles/Soap
- ⇒ String
- ⇒ Straws
- ⇒ Bubble Wands
- ⇒ Additional Supplies
