Wednesday, September 27

11:00 pm – 2:00 pm

Greg Bohman, N8819 County Road PP, Brillion

Sampling Guidelines:

- Collect 3-5 stalks from a representative area within the field (cut at chopper height)
- Please include name, address, phone number, hybrid planted, relative maturity, and planting date
- Once samples are cut do not delay bringing them to the site so that moisture is not lost
