CREED

We, the homemakers of Wisconsin believe in the sanctity of the Home, the cradle of character, nurtured by parental protection and devotion,

We, pledge ourselves:
to work for the preservation and improvement of home and community life;
to strive for healthier minds and bodies, and better living.

to promote the welfare of our boys and girls, the nation's greatest asset;

to be true to God and country and of lasting service to our homes and communities.

Mrs. John Meise, Sauk County
Revised by Douglas County
HCE Executive Board

THE ORGANIZATION

Helping people help themselves by educational means is the basic purpose of the Wisconsin Association for Home and Community Education. Through the WAHCE's program, members study and work towards the improvement of family, home and community.

Our rapidly changing society, with changing roles for both men and women and a need to progress from a consuming society to a productive and conserving society, greatly influences the nature and content of the Home and Community Education program. Each club must carefully study their home and community needs in developing a meaningful program for its members.

Home and Community Education members are out-of-school students of the University of Wisconsin System. UW-Extension specialists work with the faculty of the local Extension Office. The Extension Family Living Educator serves as advisor to the organization.

NON-DISCRIMINATION

In accordance with the 1964 Civil Rights Act, all programs provided by University Extension are open to all people regard-less of gender, race, color, ethnic back-ground, or economic circumstances. Therefore, Home and Community Education Clubs are non-discriminative. The Douglas County Home and Community Education Association is a non-profit educational and charitable organization and it is so stated in the bylaws. Because of this they qualify as a tax exempt organization. This means each meeting must have an educational emphasis or provide a community service.

PRAYER

Dear God, give us the grace to see the blessings which have come from thee;

Give us the strength to do our duty,
To see in everything some beauty;
Teach us that love and cheerful giving,
Tolerance and decent living,

Make of our homes a place sublime,
Where there's no room for hate or crime.

A place where good friends gather 'round
Where laughter, mirth, and cheer abound.

Not selfish thoughts nor worldly greed,
Let this, dear Master, be our creed.

Mrs. James Hutton,
St. Croix County

Mission Statement for Wisconsin Association for Home and Community Education

HCE offers opportunities for:

- Learning in a social setting,
- Sharing what we learn, and
- Caring to make a difference in our homes, communities, and the world.
