## **ENTRY FEES, DEADLINES, & OTHER INFORMATION**

**Entry Fees:** The total entry fee for participation in this event is \$10.00 per dog per class. You may enter two dogs in Agility.

**Deadline:** Entries must be postmarked by July 16, 2016 NO LATE entries will be accepted

**How to Enter:** Complete the entry form(s) located on pages 11-12. No entries will be accepted without the 4-H Youth Development Agent and the Leader signatures. These signatures verify that the vaccination certificates are up-to-date and dogs have exhibited acceptable behavior. Note: Entry forms in each county shall be distributed by the Leader or a 4-H Youth Development Agent in charge of the Dog Project.

**Make checks payable to:** Eau Claire County 4-H Dog Project

**Mail entries postmarked by July 16, 2016 to:**

**State 4-H Dog Agility Show**

**c/o Cathy Heil**

**W2397 Silver Springs Drive**

**Eau Claire, WI 54701**

## Lodging:

### Host hotel is Sleep Inn and Suites Conference Center

Located in the Eau Claire Travel Center on Highway 29 and County Highway T, 4 miles north of the North Crossing

5872 33<sup>rd</sup> Ave, Eau Claire, Wisconsin 54703

(Note this is the only hotel in the area that would accept dogs, and without charging a dog fee. Phone Number is 715-874-2900. <http://www.sleepinneauclaire.com/> Reservations must be made by July 27<sup>th</sup>, 2016 in order to guarantee rate quoted and must be made under the Eau Claire County 4-H State Dog Agility room block. There are initially 20 rooms and will be opened for more if needed.

The hotel requested the following information be passed along:

Right now our best available rate is \$109 for that summer weekend in August (26th-28th). For YOUR group we will discount the rate and also waive the additional \$15 pet fee per guest. Therefore that brings your group rate down to \$94/night+tax rather than \$124/night+tax.

We do have a few rules that will need to be followed and thus if you could share them with your families that would be excellent. The pets will need to remain in the rooms – no roaming the halls unless going to and from outside. This is for liability reasons as well as pet allergy reasons for other guests. Also in regards to pet allergies – no pets will be allowed on 3rd floor for that particular reason. Should we have guests that can not be around pets they will be placed on the 3rd floor. We also require that the dogs be leashed at all times and are not allowed in public places such as the breakfast area, pool area, or restaurant areas. If you would like housekeeping to refresh the rooms while your families are gone, the dogs will need to be crated for the safety of our housekeepers and the safety of your animals to be sure no one sneaks out the door. In addition, being that we're going to do our best to accommodate as many of you as we can but still be able to properly and efficiently clean the rooms for the next guests we ask that you please place food and water dishes on the tile bathroom floor and not the carpet, and any blankets that could be placed on the couches or beds to minimize shedding would also be appreciated. We will require that all guests provide a credit or debit card (or \$200 refundable cash deposit) to keep on file for incidental charges should any pets cause damage to the room.

## Camping

O'Neil Creek Campground Inc

14912 105th Ave · Chippewa Falls (715) 723-6581

<http://oneilcreek.com/>

[Directions](#)

Pine Harbor Campground

7181 185th St · Chippewa Falls (715) 723-9865

<http://www.pineharborcampground.com/>

[Directions](#)

**T-Shirts and Sweatshirts: Use the form in this booklet (page 14-15) to order your T-shirt and/or hooded sweatshirt**

### VETERINARIAN ON CALL:

Dr. Carmi Simonson with Riverview Animal Hospital

Phone 715-861-5535

Address: Riverview Animal Hospital

475 Chippewa Mall Drive, Suite 442

Chippewa Falls, WI 54729 (Next to Micon Cinemas)

**Food:** Food will be available on the grounds

**Clean-Up** - If your dog messes, you are responsible for your own clean up. Please bring your own clean up equipment. There will be specified exercise areas: look for signs! There will be a POOP SCOOP-N-RAFFLE. There will be one drawing around noon and another at the completion of the last class.

**Show Site:** The Agility Show will be indoors at the heated and air conditioned Smarty Paws Agility Center. Agility ring will be matted. There will be limited seating and kennel space in the agility building. **Crates are required for ALL dogs.** There is an outside fenced area for crating. Please provide your own shade (EZ-up, screen tent, etc.) Please bring chairs for the humans that are attending.

## **SCHEDULE**

**Saturday, August 27, 2016**

**8:00 a.m.** Begin picking up armbands at the agility show ring

**9:00 a.m.** Agility Judging begins

## **RIBBONS AND TROPHIES:**

Trophies will be awarded to the top dog/handler team in JTT - A and JTT - B, Standard A and Standard B and Advanced Standard and Advanced Jumpers. Medals will be awarded for 1st place only in each class, division and height. Ribbons will be awarded for 2<sup>nd</sup>- 5<sup>th</sup> place in each class, division and height. Qualifying ribbons will be awarded for any qualifying runs, regardless of placing. Class sponsorships are appreciated

**Please Note:** NO awards will be mailed.

## **EXHIBITOR QUALIFICATIONS**

- 1. Open only to youth that have completed all requirements in their county to show at this event during the 2015-2016 4-H calendar year, new enrollments that were not involved with the 4-H dog project prior to August 27th, 2016 will not be allowed to compete.**
- 2. Exhibitor and dog must meet local county requirements of attendance, training, and exhibiting.**
- 3. Exhibitor must be approved for the State 4-H Dog Agility Show participation by your county dog Leader and the 4-H Youth Agent. If there is no Leader, the form may be signed by the 4-H Youth Agent only.**
- 4. Exhibitor shall complete the required entry form and submit it to the Show Chair by the entry date specified (July 16<sup>th</sup>, 2016)**

## **DOG QUALIFICATIONS**

- 1. The dog(s) shall have completed training requirements specified and authorized by their county 4-H dog project.**
- 2. Eligibility requirements and participation rules detailed in the agility guidelines included in this booklet will be followed.**

3. Use the guidelines in this booklet to determine the proper class and division of entry (JTT-A or JTT - B, Standard A or Standard B and on or off leash, or Advanced Jumpers and/or Advanced Standard).
4. ALL dogs to be exhibited must have had the following vaccinations with dates vaccinated listed on the entry form and certified by their Dog Project Leader or 4-H Youth Agent.
  - a. DHL & Parvo Virus – per veterinarian recommendation
  - b. Rabies - within three years of show date (or valid vaccination)
  - c. It is recommended that the fecal be checked prior to the show
  - d. It is recommended that all dogs be heartworm checked and on preventative medicine
  - e. Corona, Para influenza and Kennel Cough (Bordatella) are highly recommended
5. Dogs must have a Buckle Collar – Martingale – Slip Collar - no Prong collars or Haltis
  - a. No tags, attachments on collars
  - b. Standard 6 foot leash – no retractable leashes

## **AGILITY RULES AND GUIDELINES FOR THE STATE 4-H AGILITY**

(Revised 3/2011)

All 4-H activities and events are to be youth focused. This means that the event will help teach young people lifelong skills and assets, utilizing their project, in this case – interaction with their dog, as a vehicle for learning those skills. The actual event takes a back seat to the development of the young people. Safety is also, and always, a primary concern for both youth and animal.

### **Eligibility:**

In order to compete in Agility each exhibitor and dog must be able to demonstrate the following competencies:

1. A successful sit/stay.
2. A successful down/stay.
3. A good relationship between the dog and handler, which includes ability to control the dog whether stationary or when walking on leash.
4. The ability to be peacefully approached by other dogs and handlers.

It is strongly suggested that youth and dog successfully complete at least one year of obedience training before moving to agility

### **Participation Rules:**

1. The handler and dog must be in good health at the time of competition.

**2. The dog may not be pregnant or nursing puppies at the time of competition. Bitches in season may **not** compete.**

**3. Dogs must be at least 12 months old to compete in agility. It is recommended that larger breeds be at least 18 months old. This is because for most breeds the growth plates in the bones are still developing until the average age of fourteen months – even later for large breeds.**

**4. Dogs 18 months and younger and 7 years and older are encouraged to jump at least one height lower than their measured jump height.**

**5. All 4-Hers are strongly encouraged to consult their veterinarian before beginning agility training to be sure that there are no problems such as hip dysplasia, disc problems, overweight, etc.**

**6. The handler and dog must know basic commands at the time of competition. (sit, down, stay, come, controlled walking on leash, etc.)**

**7. Any breed or mixture of breeds and/or size dog is allowed to compete.**

**8. The handler must have complete control over their dog at all times.**

**Family members may share a dog, but there are a maximum number of four runs per dog per day.**

### **Standard Equipment:**

1. Buckle collar – no choke collars
2. Standard 6 foot leash – no retractable leashes
3. For safety reasons, handlers must wear rubber soled shoes that tie or Velcro (no flip-flops or slip-ons).

### Class Jump Heights

Classes divided by 4 jump heights:

4" class – for dogs up to 10" inches at the shoulder

8" class – for dogs greater than 10" and up to 14" at the shoulder

12" class – for dogs greater than 14" and up to 18" at the shoulder

16" class – for dogs measuring over 18" at the shoulder.

It is the handler's responsibility to know the appropriate jump height for their dog. Changes in jump height will not be allowed once the entry has been received, unless the Judge determines that the dog, for physical reasons, should not be jumping at the entered height. (In order to help with height determination, a video will be posted on the State 4-H website which shows the proper procedure for measuring a dog for agility.)

<http://www.uwex.edu/ces/4h/events/DogProjectEvents.cfm>

Class Descriptions (Depending on their demonstrated abilities handler/dog teams may enter JTT and Standard or Advanced Jumpers and Advanced Standard)

JTT (Jumps, Tunnels, Table) Class\* (There are JTT-A and JTT-B divisions, see details below)

~Jumps, Tunnels and Table – on leash

~Jumps, Tunnels and Table – off leash

\* For JTT Agility, the only pieces of equipment needed are: jumps, a table and one or more tunnels.

~Standard Agility\*\* (There are Standard A and Standard B divisions, see details below)

Contact Obstacles and Weaves – on leash

Contact Obstacles and Weaves – off leash

\*\* The contact obstacles (A-frame [maximum 4'6" at apex], dog walk and seesaw) and six weave poles will be added to the course containing jumps, tunnels and table.)

~When exhibitors move to Standard Agility, (by demonstrating the ability to complete contact obstacles and weaves successfully as determined by a county dog project Leader), they will be able to compete in JTT and Standard agility classes at a single event.

~Both JTT and Standard will be divided into two divisions - A and B.

~Division A - In this division, neither the dog nor handler has previously achieved a qualifying score in 4-H agility or another agility venue. In addition, neither the handler nor the dog has previously achieved a title in another agility venue.

~Division B - This division is designed for those where either the dog or handler have achieved a qualifying score in 4-H agility or another venue OR for those situations where either the handler or the dog has earned an agility title in another venue. Receiving a qualifying score in either JTT or Standard means that the dog/handler team should be entered in Division B in both JTT and Standard in future competitions.

### **Advanced Classes**

Advanced classes are designed for more experienced 4-H handlers and will help to prepare them to compete in other venues if they choose. These classes must be performed off-leash. In these classes, there will be more obstacles, more complex course patterns and the course time will be 60 seconds. Handlers may choose to enter Advanced classes when they have achieved a qualifying score in 4-H agility (in JTT for Advanced Jumpers or in Standard for Advanced Standard) or if they or their dog have earned a title in another agility venue. It is recommended that 4-H members consult their county 4-H dog agility Leader regarding their readiness before entering advanced classes. Handlers who enter either or both of the advanced classes described below, may NOT enter JTT or Standard.

Advanced Jumpers – in addition to single bar jumps, open tunnels and pause table, this class may include wing jumps, double and triple jumps, tire jump, the broad jump, panel jump, twelve weave poles and a closed tunnel (chute). There will be a maximum of twenty obstacles in this course and course time will be 60 seconds (beyond 60 seconds, time penalties will be assessed as described in the scoring section of these guidelines).

Advanced Standard – may include single, double and triple bar jumps, tire jump, wing jumps, broad jump, panel jump, and twelve weave poles, open and closed tunnels, a pause table, A-frame (maximum height 4' 6"), dog walk and seesaw. There will be a maximum of 20 obstacles and course time will be 60 seconds (beyond 60 seconds, time penalties will be assessed as described in the scoring section of these guidelines).

### **GENERAL COURSE INFORMATION**

1. JTT agility courses will consist of 7 – 10 obstacles with a course time of 50 seconds.

Standard agility courses will consist of 10 to 15 obstacles with a course time of 75 seconds. Areas in which courses are set up should be at least 60 feet by 70 feet.

2. Advanced classes will consist of 16 – 20 obstacles with a course time of 60 seconds.

Areas in which advanced courses are set up should be at least 75 feet by 100 feet.

3. Indoor courses must have flooring (thick matting or another surface) which provides both traction and cushion!

4. The course will be clearly marked with a start/finish line.

5. Each obstacle will be marked with a number. Handlers and dogs will be required to follow the course in numerical order.

6. Before competition begins, the handlers will be allowed to walk through the course to become familiar with the course. The walk through is restricted to the handlers only and is limited to 10 minutes.

7. In Standard agility, a period of time (determined by the judge) will be allowed for obstacle familiarization for dogs and handlers on the contact pieces ONLY.

8. A warm-up jump outside of the ring will be available for handlers and dogs. Handlers should be considerate of others in taking turns at the warm-up jump.

9. Any dog whose hair covers its eyes and may interfere with its vision of the obstacles may tie the hair back with rubber bands.

10. Food and toys are not permitted on the course.

11. Handlers are not permitted to have whistles, stopwatches, fanny packs or other training devices on the course.

12. The handlers may be on either side of the dog while running the course.

13. A dog's time starts whenever any part of the dog crosses the start line. Its time will end when any part of the dog crosses the finish line.

14. Flat collars are required for all dogs.

15. No choke or pinch collars are allowed on the agility course.

16. Familiarization with contact zone obstacles (A-frame, dog walk and seesaw) will be allowed for a time period established by the judge.

#### GENERAL SCORING

1. Each course is worth a maximum 100 points.

2. A penalty consists of the loss of 5 or 10 points.

3. 10 point penalties (judge holds up two hands) include: not making contact in contact zones, not doing the obstacles in proper order or not completing an obstacle, the handler going over the obstacle with the dog, or missing one or more weave poles.

4. 5 point penalties (judge holds up one hand) include: knocking down a jump bar, excessively guiding the dog with leash, touching the dog, or touching the obstacle.

5. Refusals or run-by's will not be faulted in 4-H competition.

6. The only penalty for breaking a sit or a down on the pause table is the extra time that accumulates when the count stops, and is not resumed, until the dog is back in position.
7. The dog/handler team's run will be timed. A 5 point penalty will be given for going over the course time and an additional 5 points for each 15 seconds over the course time. In the case of a tie in total points, the fastest time will win.
8. If the judge determines that a dog is no longer working with the handler, the team will be excused from the course.
9. The contact zone on the A-frame, dog walk and seesaw is the contrasting colored zone (usually yellow) on the start and end of each obstacle.
10. Any interference or outside assistance that aids the dog or is intended to aid the dog or handler will be considered a 5 point penalty.
11. If a handler loses control of their dog while on the course, it will be considered a penalty.
12. Excessive or harsh commands or corrections will not be allowed. This will be a penalty.
13. Unsportsmanlike conduct will not be tolerated. This will be a penalty and the handler and dog will be excused from the competition.
14. Failure to follow judge's verbal instructions is a penalty.
15. If the dog urinates or defecates in the ring (from the time it enters until it leaves the ring), the dog and handler will be disqualified from that class.
16. Any dog that commits to a contact obstacle (A-frame, dog walk, seesaw) with all four paws must, for safety reasons, continue with the obstacle. Whether obstacle is completed or if the dog jumps off, dog and handler must go on to the next obstacle and may not attempt that obstacle again.
17. A score of 70 or higher is considered a Qualifying Score in all classes of 4-H agility.

**Obstacles: ALL EQUIPMENT AT THIS SHOW SITE IS AKC APPROVED AND IS RUBBERIZED (THIS IS A Teaching FACILITY.)**

It is critical that the equipment used in agility be safe for the 4-H Youth and their dogs.

When hosting the State 4-H Dog Agility Show, the hosting county must provide equipment that meets the specifications approved by one of the major agility venues (AKC, USNAA, NADAC, CPE or UKC). It is recommended that they also arrange for the judge they have selected to check the equipment prior to the show, and again for condition on the day of the show. The hosting county should also specify whether their A-frame and dog walk are slatted or unslatted when they send out the initial show/entry information. Another safety consideration is the condition of the show ring. If it is an indoor trial the running surface must provide sufficient traction and cushion for the dogs. If it is an outdoor ring the ground should be examined before, and the day of, the show to make sure that there are no holes, stones, thistles or other factors that could cause safety problems for the dogs or handlers. An additional safety consideration is placing enough space between obstacles to provide safe entries for the dogs. There should be a minimum of 15 –18 feet between obstacles.

A-Frame: Dogs must go up one side touching the contact zone on the up side with any part of one foot and down the other side in the direction designated by the judge. The dog must also touch the contact zone on the down side with any

part of one foot prior to exiting the obstacle. The height of the A-frame at the apex will be no higher than 4'6". A-Frame has slats.

Dog Walk: Dogs must go up the ramp touching the up contact zone with any part of one foot, cross the center section and go down the down ramp touching any part of one foot in the down contact zone prior to exiting the obstacle. Dog walk has slats.

Seesaw: Dogs must go up the plank touching the up contact zone with any part of one foot and cause the plank to pivot. At least one foot must touch the down contact zone after the plank has touched the ground and prior to exiting the obstacle. (Handlers may slow the plank down so it doesn't scare the dog).

Weave Poles: The dogs must enter the weave poles by passing between poles # 1 and #2 from right to left. They must continue this sequence until they pass the last two poles. Missing one or more poles will be a 10 point penalty. The dog's left shoulder must enter on the right of the 1st pole.

Pause Table: The dogs must pause on the table for 5 seconds in either a sit or a down position, as specified by the judge at the beginning of the competition. The judge will do an oral count and will also give a signal to —GO. If the dog breaks from the sit or down position the judge will stop counting and will only continue the count when the dog returns to the proper position. When the judge says, —Go, the handler may then release the dog and proceed.

Open Tunnel: The dogs must enter the end specified by the judge and exit the other end.

Closed (Collapsed) Tunnel: The dogs must enter the rigid entrance and exit through the fabric chute.

Bar Jumps: The dogs must jump over the top bar, without displacing it, in the direction indicated by the judge.

Panel Jump: The dog must jump over the top panel without displacing it, in the direction indicated by the judge.

Tire Jump: The dogs must jump through the tire opening in the direction indicated by the judge, without knocking the tire/frame over.

Double Jump: The dog must jump over two bars, without displacing either of the bars.

Triple Jump: The dog must jump over all three bars, without displacing any of the bars.

Broad Jump: The dog jumps over several low, flat jumps equaling two times their jump height (for example, a dog jumping 8 inches needs to jump over a 16 inch broad jump).
