

# Get Active!

## Take a Walk

As a physical activity, walking is hard to beat. It's free. It requires no special skills. Most people of any age can do it. It's an activity a family can easily do together. But it's also a great thing to do when you need time by yourself.

## Walking for a Cause

Walking is great exercise for the entire family. Take part in area walks that earn money for various causes:

**Crop Walk** - raise money for our food pantries  
- held annually in Platteville. 723-2143

**Relay for Life** - [relayforlife.org](http://relayforlife.org)

**Alzheimer's Memory Walk**

**ALS Walk**

**Volunteer** to help do outdoor yard  
clean-up for neighbors, parks, etc.  
or take part in highway clean-up.

# Walk in the Park

If you want a place where you can stretch your legs, go on a nature hike, do some bird watching, throw a Frisbee, fly a kite, or have a picnic, check out a community or county park!
