

Ride Your Bike

Remember the feeling of freedom you felt when you first learned how to ride a bike? It can still feel that way! Like walking, biking is a fun, easy, and affordable way to get active and fit.

Biking can be a fun family activity. Children as young as 5 years old can safely ride their two-wheelers on paved paths. Younger children can ride tricycles or sit in bike trailers or safety seats.

Most of the quiet rural towns and villages of Grant County offer opportunities for family biking on quiet residential streets. For the serious biker, a complete map of SW Wisconsin bicycle loops is available from UW-Extension, www.cyclesouthwestwisconsin.com or local Chambers of Commerce.
