Registration Deadline: May 1st

What is 4-H Adventure Camp?

4-H Adventure Camp is a new and exciting opportunity for 16 youth in **grades 7th-8th** (as of the 2015-2016 school year) to experience Upham Woods. This camp will strongly focus on the following:

ADVENTURE: You will take a half day trip around Blackhawk Island, which will include canoeing and possibly kayaking on the Wisconsin River. During the camp, you will also do some hiking on uneven terrain and swimming. There is a required swim test given at camp before campers can participate in any water activities. A lifeguard is present during all water activities.

TEAMWORK: Right away on the first day, you will be participating in games and activities to help you get-to-know and work with other youth from across the three counties. You will get to challenge your ability to work well in teams throughout camp, whether on the low ropes challenge course, cooking group dinner on the camp stove, or paddling on the Wisconsin River.

NATURE: You will experience the many natural wonders in and around camp, including the Upper Dells sandstone cliffs and lush green forests, the Wisconsin River, and Black Hawk Island. You will actively explore this natural world and have the opportunity to reflect on your role in preserving our environment for future generations. Finally, no 4-H Camp would be complete without enjoying nightly campfires, where you will be able to celebrate with music and entertainment.

Youth and adult staff will be staying in tents in a wooded area behind the Nature Center. Youth will stay in a tent with 2-3 other campers of the same gender. Bathroom facilities will be available in the nature center. Buildings and multiple meeting rooms are available for educational programs and lodging in case inclement weather. This camp is sure to EXCITE and ENGAGE any 4-Her who comes ready to actively participate with other youth in exploring the great outdoors!
