Web-site Development

The group reviewed and revised the comprehensive lay-out for the web-site developed by Regal Creative. The group then reviewed and revised the draft narrative and links for the seven pages of the web-site prepared by Will.

These changes will be sent onto the web-designers by Friday (January 15th) to stay on schedule with the project. The designers will then have a final draft for our review at our February 9th meeting. Planned launch of the site is February 17th.

The group also reviewed and approved the draft design for the “Fe – Live Life” bumper sticker.

Next Meeting

The next meeting will be held on Tuesday, February 9, 6:00 PM, Room B-22 of the Jacob Solin Business Center, Gogebic Community College.
