

**FoodWise Nutrition Education Report  
for Jackson County Extension Education Committee  
2/1/17 – 2/28/17**

**FoodWise Projects, Events & Professional Development:**

**April Duval, Coordinator:**

- Northwest Regional All Colleague Conference: I was the FoodWise Representative on the planning committee. I was in charge of the FoodWise program area time for each day – organized agenda and contacted professional development speakers. Created power point for the session – state updates, regional updates – performance review, title review and I also presented a session titled: Making a Teaching Plan from Curriculum Plans – shared Grade 2 Show Me Nutrition lessons and how I adapt them and use them from curriculum.
- Jackson in Action: Social media posts to promote 5210 and Harvest of the Month: Sweet Potato. Harvest of the Month flyer up at Gordy’s.
- 5210 Meeting and Jackson in Action meeting
- Supervision of and meetings with Nutrition Educator Sandy Witte
- Webinar/Conference Calls: Dean’s Wisline
- GardenWise program grant writing and submission- contact with key partners. Also wrote letter of support to Western Dairyland Head Start Garden Nutrition Education.
- Survey of Head Start Parents for Nutrition Education in March/April/May
- Civil Rights – organization of necessary materials for each county
