<sup>1</sup> The individual applying must participate in the service projects to fulfill this portion of the requirement. The individual applying is highly preferred to be the individual to participate in the fundraising opportunity to fulfill this requirement. However, if a conflict were to arise the entire week of the fair preventing the member from participating in a fundraiser opportunity, the youth must get pre-approval from the 4-H Advisor for a different qualifying event or activity to fulfill the requirement. This exception only applies to the fundraiser requirement; this does not apply to the service requirement.

<sup>2</sup> Youth must obtain pre-approval from the county 4-H Advisor & Lafayette County Leaders' Association to count an activity as a County 4-H service project, if not listed on this pre-approved list.
