

2017 MANITOWOC COUNTY UNIVERSITY OF WISCONSIN AGRICULTURE ALUMNI ASSOCIATION SCHOLARSHIPS AVAILABLE

The Manitowoc County UW-Agriculture Alumni Association Board is pleased to announce that several scholarships will be available for students from Manitowoc County enrolling in agriculture and life sciences majors at the University of Wisconsin-Madison, Platteville, River Falls, Green Bay or Stevens Point. **Examples of eligible majors include traditional production agriculture majors like dairy science, soil science and agronomy. Other majors may also qualify including: biochemistry, genetics, molecular biology, forestry, horticulture, environmental science and more.** Scholarships for the University of Wisconsin-Madison Farm and Industry Short Course are also available. Scholarships for a degree program will be up to \$1,000 while scholarships for Farm and Industry Short Course will be up to \$500. The UW-Ag Alumni Association scholarship is also available to students transferring from a non-agriculture program to an agriculture program at one of the aforementioned colleges.

Second year students are eligible to apply for a scholarship. Preference will be given to first year applicants that meet the qualifications, however, if adequate scholarship dollars are available, qualified second year students may be eligible for a Manitowoc County University of Wisconsin Agriculture Alumni Association Scholarship.

Scholarship amounts will depend on the number of qualified applicants. These scholarships are made available through the cooperation and support of numerous businesses, organizations and individuals in Manitowoc County. The Board of Directors of the Manitowoc County UW-Agriculture Alumni Association will make the selections. All decisions are final.

Each applicant must return the attached application form to the Manitowoc County UW-Extension Office, c/o the "Manitowoc County UW-Agriculture Alumni Association", Attention: Scott Gunderson, P.O. Box 935, Manitowoc, WI 54221-0935, by April 1, 2017. The Selection Committee must also be provided with three letters of recommendation by that date. Instructions for those writing letters of recommendation are included on an attached sheet. Selection will be based on the application and the letters of recommendation.

The purpose of the scholarship is to encourage deserving young men and women to pursue further education to better equip them for the operation of a farm or to assume employment and leadership responsibilities in another phase of agriculture. Payment of the scholarship will be made to the institution after they have enrolled and started classes in the fall.

To Those Writing Recommendations for Scholarship Applicants:

Your letter of recommendation for a scholarship applicant for the Manitowoc County University of Wisconsin Agriculture Alumni Association Scholarship will be of great value to the Selection Committee. It is the desire of the committee to award these scholarships to the most deserving and promising candidates. In writing your recommendation, it would help the Selection Committee if you would **include statements regarding the applicant's character, his or her standing in the community, need, and your judgment as to the likelihood of success in future schooling.**

Because of recent changes in laws relating to student records, the student may have an opportunity, at some time in the future, to examine your letter. Please send to: Manitowoc County UW-Extension Office, c/o Manitowoc County UW-Ag Alumni Association, P.O. Box 935, Manitowoc, WI 54221-0935. **All letters must be post-marked by April 1, 2017.**
