Still Time to Order Your Pinewood Derby Car

Manitowoc County 4-H will be holding their 7th annual Pinewood Derby competition on Tuesday, April 11 from 6:00-9:00 p.m., at the Manitowoc County Expo Ice Center. What is a Pinewood Derby? Youth take a block of wood (7" long by 1¾" wide by 1" high) and they cut, carve, whittle, and sand it into the shape of a vehicle. They then add two axles and four wheels and race it down a 42 foot aluminum track. There is no motor to power the car, the track is elevated at one end and gravity pulls the car down the track. The car's speed is really dependent on two factors – air resistance and friction.

We will again be hosting a Pinewood Derby car building workshop on Thursday, March 16 from 5:30 – 7:30 pm at the Manitowoc County Office Complex for youth who need help with their car. Youth can come anytime between 5:30 and 7:30 pm and get help roughing out the shape of the car, however, they will need to take their car home to do final sanding, painting, and assembly.

The Pinewood Derby fits well within the 4-H program and it is a great way to engage youth of all ages in a project that involves science, technology, engineering, and math, as well as creative design. At the event, trophies will be awarded to 1st, 2nd, and 3rd place finishers for each age division and trophies will be awarded for the best finished cars (Best of Show) and the slowest cars (Best Fuel Economy). Age divisions for the Pinewood Derby are: Cloverbud (Grades K-2),

Elementary (Grades 3-5), Intermediate (Grades 6-8), Senior (Grades 9 – 12), and Adult (must be related to a 4-H member).

Car kits must be purchased through the 4-H program, and they are \$5.00 each. Payment for the cars will be collected at your 4-H club meeting and cars will be distributed through your club. **To order please complete the following Google Form - [Pinewood Derby Car Order Form](#) or call Tracy Schuppel at 683-4169.**

Pinewood Derby Physics - Saturday, March 18

Aerodynamics, friction, gravity, potential and kinetic energy...what are the secrets to building a fast Pinewood Derby car?

Take advantage of a "Science by Inquiry" program to learn how to make your pinewood derby car fast – or faster! Arrive at the Manitowoc County Office Complex, 4319 Expo Drive, any time between 9-11 AM and plan to stay about 1-2 hours. The program will end by 12:00 PM.

You'll have the opportunity to race your car on the derby track while making improvements to it. There will be stations where you can use trial and error to find the best placement for additional weight, reduce the friction on axles and wheels, and experiment with lubricants. We'll have some basic tools, drills, scales, etc. available for you to perfect your wheels, axles, and weight (you will need to provide your own weights).

If you don't have your Pinewood Derby car finished just yet, no worry. We will have some basic cars available for you to experiment with! Come out and have some fun and get ready for the Pinewood Derby!

Arlington Agricultural Research Station Sheep Day

The University of Wisconsin-Madison, College of Agricultural and Life Sciences, Department of Animal Sciences, the University of Wisconsin-Extension, Cooperative Extension, and the Wisconsin Sheep Breeders Cooperative, invite you to attend the 9th Annual Arlington Sheep Day to be held at the Arlington Agricultural Research Station on the morning of Saturday, March 11, 2017. **A program, registration form, and map are enclosed. Badger Dairy Camp

Badger Dairy Camp is an annual camp held in June and is open to youth between the ages of 12 and 18. This camp, held on the beautiful University of Wisconsin Madison campus, provides an excellent opportunity for youth to get hands-on experience learning how to fit and show animals. Youth also learn about the purebred cattle industry and attend workshops including "Roaming through the Rumen". Instructors for the camp include dairy industry leaders, graduate students, and UW professors.

Each year the camp is open to one hundred youth. This three day event is open to all dairy youth between the ages 12 and 18. Although the majority of our campers come from Wisconsin, we welcome out of state campers and in the past have had campers come from as far as Texas, Arizona, New Mexico, Florida, Colorado, and Washington state!

The 2017 Badger Dairy Camp will be held June 8-10. Enrollment for the 2017 camps ends May 1st, but spots fill up fast so get your application in early. To register visit: <http://fyi.uwex.edu/dairyouth/>.

Admission includes a family style dinner of chicken, sirloin tips, mashed potatoes, gravy, stuffing and, of course, a delicious dessert. **Please see attached reservation brochure.**

2017 Tractor & Farm Safety Camps

Does your son or daughter work on a farm during the summer? Do you hire youth to work for you during the year? Do these young people have adequate safety training?

Accidents cause more deaths to individuals between the ages of 15 and 24 than all other causes combined. To help reduce accidents, a Tractor & Farm Safety Camp is being coordinated by UW-Extension Manitowoc County. The course focuses on the safety aspects of operating farm equipment and daily farm tasks. To complete the course, youth must attend all sessions and pass a written and a driving exam.

Federal law requires that youth younger than 16 years must be certified before being hired to work with tractors and tractor machinery. Effective May 1, 1996, state law mandated that no person may direct or permit a youth younger than 16 years of age to operate a farm tractor or self-propelled implement on a public road unless the youth has been certified as successfully completing a tractor and machinery certification course. Youth must be the minimum age of 12 by the first day of the Tractor & Farm Safety Camp in order to register.

Teenagers who drive a tractor for their parents may still do so without the formal training program as long as they do not operate the tractor on a public road. The law also does not apply to situations where a youth is driving a tractor and implement directly across (perpendicular to) a public road.

If you intend to hire any teenagers on your farm, make sure that they enroll in this course for your protection as well as theirs. There are penalties for not complying with the law. Also, some insurance companies have indicated that, technically, they cannot cover an accident to an untrained youth

According to the U.S. Department of Labor, farm tractor accidents cause more fatalities than any other type of accident on the farm. Accidents involving farm tractors result in about 270 deaths annually in the U.S.

Don't be a statistic! Get your certification now!

Tractor & Farm Safety Camps March 10-12, 2017 or March 31– April 2, 2017

Held at: Camp TaPaWingo 915 W. TaPaWingo Rd. Mishicot, WI 54228

Cost: \$195 per person Registration Deadline: Feb. 20 or March 17 depending on class sign up.

*Includes meals, lodging, all training materials, and 24 hours of class time. Open to any youth in Wisconsin.

Recommended: Six hours of driving practice prior to attending the course. **Please see attached flyer to register - don't delay, these camps fill quickly!**

Camp TaPaWingo Tree Sale

Are you looking for a place to purchase trees and shrubs this spring? Look no further! Camp TaPaWingo is running their annual tree sale fundraiser to help fulfill your planting needs. A variety of native, disease-resistant species, grown by reputable nurseries in our climate and dug fresh immediately before your tree pick up, are available.

They include white cedar, red pine, white pine, balsam fir, tamarack, white spruce, blue spruce, red oak, bur oak, white oak, black cherry, sugar maple, and river birch. Prices for these trees are 10 trees for \$20, 25 trees for \$35, 50 trees for \$60, and 100 trees for \$100. Shrub choices are Highbush Cranberry, Juneberry, Red Osier Dogwood, and Crabapple, Red Splendor. These are priced at 10 shrubs for \$20 and 25 shrubs for \$50. Minimum order is 10 trees or shrubs of one kind and must be ordered in multiples of 10.

Deadline to get your order in is March 17th and pick-up is scheduled for the fourth Saturday in April, weather permitting, at Camp TaPaWingo. You will receive a post card prior to tree pick notifying you of pick-up date and time. **Please find an order form attached.** If you have questions about the sale, you can call Tracy Schuppel at (920) 683-4169 or email tracyschuppel@co.manitowoc.wi.us.

Interested in Being a County Fair Judge?

There will be a webinar for County Fair Judges. The 2017 Fair Judges Training Webinar will be held on March 21 at 6:00 p.m. and is geared for new county fair judges as well as judges that would like to be updated on the general principles of what it takes to judge at Wisconsin County Fairs. Some of the topics to be covered are: The Basics of Judging at the County Fair, Steps to becoming a Judge, Expectations of Judges, and the Types of Judging such as conference and face-to-face. There will also be time for any questions they may have regarding judging at Wisconsin County Fairs. The fee is \$15.00. Participants will be able to connect in their homes with an internet connection with the audio done as a Wisline via the phone. We will send all participants the connection information and the PowerPoint after they are registered. If their internet is not fast enough to access the webinar they will be able to follow along via the PowerPoint and audio connection. **Please find a registration form attached.**

Pullorum Tester Seminars

Attached is information about two upcoming pullorum tester seminars. If you are not familiar with this, all poultry that are used for breeding or exhibition are required to be tested for Salmonella pullorum annually. Individuals are allowed to do the testing, but they must be certified as trained testers by the Wisconsin Department of Agriculture Trade and Consumer Protection (DATCP). **A flyer with more information is attached.**

I Want To Know! STEM Camp 2017, May 5-6th

Do you like science, technology or engineering? Would you like to engage in cool, hands-on scientific experiments? If so, then the IW2K! STEM Camp is for you! The Wisconsin 4-H STEM I Want to Know! Camp (IW2K! STEM Camp) will be held this year at Upham Woods in Wisconsin Dells. This overnight camp, open to 6th-8th grade

4-H members and non-4-H'ers, will take place on May 5-6. Youth will get the opportunity to learn about science, technology, engineering and math (STEM) during hands on sessions.

Campers will arrive on Friday at 5:30 p.m. for check in and then will get to participate in teambuilding group activities and a large group session. On Saturday, campers will participate in sessions that include hands on STEM activities taught by UW faculty and volunteers. Previous year sessions included topics such as food science, DNA, electricity, herpetology and robotics! Camp ends at 4 p.m. on Saturday.

Registration for this camp is limited and fills up fast, so make sure to register as soon as possible! The Registration deadline is April 14, 2017. The cost for the IW2K! Stem Camp is \$70, which includes meals, lodging and a t-shirt. Transportation to and from camp are to be arranged by the youth's family. For more information contact Tracy Schuppel at tracyschuppel@co.manitowoc.wi.us or 920-683-4169.
