4-H Club or FFA Chapter

\_\_\_\_\_

Cell phone # for club contact *(this will be used if there is a health concern and the owner of the animal needs to be contacted while at the fair)*

## 2017 Wisconsin Valley Fair Dairy Identification Log

<b>Exhibitor's Name</b>	<b>Animal Owners Name (if different than exhibitor)</b>	<b>Address where animal is housed (include town)</b>	<b>Breed</b>	<b>Date of Birth</b>	<b>Official ID# (eartag, tattoo, reg. #) Metal Tag is preferred!</b>	<b>Type of ID (breed reg., tattoo, metal tag)</b>	<b>Nickname of animal (Name by which she will be known)</b>

\*\*\*Please make sure this is legible. Metal ear tag numbers are preferred for health check-in. Registration numbers will take much longer. Be sure to write in the nickname of the animal so the exhibitor/owner can more easily identify animals as they come off the truck. Feel free to use as many sheets as necessary – best to use a separate sheet for each truckload of animals.
