

DIRECTIONS FOR HORSE & PONY RECORD BOOK FORM

“What would you like to learn in this project?”

- All grades should come up with 2 things they want to learn or accomplish with the project this year.
 - Younger youth’s learnings or accomplishments may be simpler and to lesser extent than those of older youth.
- This should include specific areas of knowledge they wish to learn or specific skills they wish to gain or improve. It can be as simple as completing a project more independently, or trying a different approach to a project.
- If you’re using the word document, you will only be allowed to fill the space available.
 - Do not change the size of the text box.
 - You may change the size of the font to no smaller than 10 pt.

“FINANCIAL AGREEMENT”

- Select the appropriate ownership model.
- Select the appropriate understanding.
 - Please fill in the other arrangement if you select “Other.”
- Make sure required signatures are present.
- If you’re using the word document, please highlight, italicize, or bold your agreement.
 - Please sign the printed copies; no electronic signatures.

“SKILLS LEARNED”

- Put the appropriate number of years in the “Years in Project” blank.
- Select the skills that were utilized and indicate if they are newly learned skills this year or improved from previous years.
 - For general project sheet, the student will have to create the list of skills utilized for the project. They will indicate if they are newly learned skills this year or improved from previous years.
- If you’re using the word document, the cells will expand to accommodate, however, you will lose the number of lines you have to type on.

“Describe classes, workshops or learning experiences (inc. help from others).”

- This may be in list or paragraph form.
- Please include club level and county level, along with individual experiences.
- This can include:
 - Workshops
 - Classes
 - Trips
 - Working with an experienced person
 - Having mom or dad teach you skills
 - Reading articles or materials related to your project
- If you’re using the word document, you will only be allowed the fill the space available.
 - Do not change the size of the text box.
 - You may change the size of the font to no smaller than 10 pt.

“PROJECT EXPENSE SUMMARY”

- You need not enter the purchase price for the animals themselves, just their care.
- Monthly expenses should be listed in one of seven categories.
 - Feed/Bedding: Individual bills are not required. If your animals were part of a larger herd you may estimate your animal’s consumption. A total feed bill may be divided into monthly averages if you wish.
 - Boarding Fee: What is the housing fee for your horse or pony? If you house your own animal enter \$0
 - Lessons and Training: Include breaking fees, fees to attend riding classes, clinics, Ect...
 - Farrier: Enter billing amounts from your farrier here.
 - Health Care: Individual bills are not required. If there is no veterinarian services for a month, enter \$0.
 - Equipment: Individual bills are not required. If there is no equipment purchased for a month, enter \$0.
 - Other: If you incur expenses outside of these areas, please enter it here.
- Enter your totals for each month in the final column.
- If your feed or other necessary inputs come from family or the animal’s owner, please estimate the value of those items.
- If equipment is borrowed, an expense is not required to be listed.
- If you’re using the word document, the column width will change to accommodate text, but will reduce the size of the outer columns.
 - To get more space in the “Items purchased, services, etc.” column, press enter when you have reached the existing edge, and again you will lose rows when you do this, so be concise with your descriptions.

“Work Record”

- List each month of the year in the top row.
- List “Hours Grooming, Cleaning Stable and Tack” and “Hours Exercising and Training” for each month in the second and third rows

“EXHIBITS/DEMONSTRATIONS”

- List all the shows, competitions, events, and exhibitions where you displayed objects or animals that fit in this project area.
- List all the shows, competitions, events, and exhibitions where you performed a demonstration of skills or knowledge that fit in this project area.
- Please write the date or approximate date, name, and city of event.
- Please include placings if placings were used. If competitions weren’t placed, just complete with N/A.
- If you’re using the word document, the column width will change to accommodate text, but will reduce the size of the outer columns.
 - To get more space in any of the columns, press enter when you have reached the existing edge, and again you will lose rows when you do this, so be concise with your descriptions.

“The worth or value of a 4-H project is measured by new things learned, time spent, enjoyment, in addition to the economic loss or gain. Tell about the new things you learned, the enjoyment, and the problems of your project.”

- This short paragraph is asking for a reflection over your project year. What were the things that were hardest? What were the highlights of your project year? Was there anything that really opened your eyes about the process? Has this project guided you to a new interest or career path?
- If you’re using the word document, you will only be allowed the fill the space available.
 - Do not change the size of the text box.
 - You may change the size of the font to no smaller than 10 pt.

“Would you recommend this project to a friend? Why or why not?”

- If you’re using the word document, you will only be allowed the fill the space available.
 - Do not change the size of the text box.
 - You may change the size of the font to no smaller than 10 pt.
