

# 2017 CHILD CARE CLINIC

**9:00 am- 3:00 pm**

**January 23, 2017**

**Pepin County Government Center**

**740 7th Ave W, Durand, WI**

**Cost : \$22.00**

Competent, reliable youth child care providers are always in demand. In our rural area, many children care for themselves and younger siblings at home. A Child Care Clinic (CCC) will be offered for students in grades 5<sup>th</sup> and up. This clinic provides students with knowledge and skills to care for toddlers, preschoolers and young children (not infant care). The \$22.00 registration fee covers the cost of the Student Guide, 4-H / Army Child & Youth Services Babysitting Course Training Book. Scholarships are available.

The training provides students with information and skills necessary to safely and responsibly care for young children. Topics include:

- Ages and stages
- Basic child care
- Responsibility
- Community safety
- Getting along with children
- Discipline
- Leadership
- Personal safety
- First aid and safety
- Home safety
- Decision Making
- Nutrition
- Business and professionalism
- Safe play and toys for children
- Child abuse prevention

The clinic is taught by Katie Walsh-Kallstrom, Public Health Nurse, Pepin County Health Department; Kathy Dahl, R.N., Durand School District Nurse; and Marie Ritscher, Youth Development Agent, UW-Extension Pepin County,

**2017 Durand Child Care Clinic**  
**9:00 am - 3:00 pm**  
**January 23, 2017**  
**Pepin County Government Center, 740 7th Ave W, Durand, WI**

For satisfactory completion of the child care clinic, students must:

- display responsible and respectful behavior at all times
- actively participate in all lesson activities to the best of their ability
- successfully demonstrate the skills learned at the clinic (such as in the First Aid Session students will demonstrate proper first aid techniques).

Parents are responsible for the student's transportation to and from the child care clinic.

**Students are expected to display appropriate behavior at all times, otherwise they will be dismissed from the clinic.**

Prior to the CCC, students must complete two homework assignments and bring them to the clinic on January 23, 2017. Students must also bring a pencil and lunch/snacks to the clinic.

**HOMEWORK—these don't need to be purchased but can be things found around the house.**

**Assignment #1:** Put together your "Child Care Kit" using a bag, backpack, box or small suitcase. Inside it, place items to use with caring for different ages of children such as toys, books, crayons, paper, cards, games, stuffed animals, soft balls, etc. It is a good idea to include a small flashlight in your kit. More items will be added to your kit the day of the Child Care Clinic. Remember to bring it along with you!

**Assignment #2:** Bring a small first aid kit. This should include: bandaids, small antiseptic, and plastic gloves (if you have them). Other optional items that could be included: blunt tip scissors, gauze, tweezers, etc. These items can be placed in a zipper type plastic bag.

Registration will be on the first come first serve basis with a maximum of 20 students.
