

HUNTERS ... Help Fill Local Food Pantries

Help Fill Pierce and St. Croix Food Pantries this fall by taking 5 simple steps:

1. Legally harvest a deer in Wisconsin.
2. Field dress the deer.
3. Register the deer at a Wisconsin DNR registration station.
4. Drop off an approved site by February 1st, 2015, in Pierce or St. Croix County:

Pierce County Meats, 460 E. Wall St., Ellsworth	715-273-4741
Ptacek's IGA, 1449 Orrin Rd., Prescott	715-262-5636
Deer's Food Locker, 210 Main St., N., Deer Park	715-269-5110
Powers Wild Game Processing, 2040 Hwy. 65, New Richmond	715-246-4209
Glenwood City Food Lockers, 424 First St., Glenwood City	715-265-4833
Kessler Processing, 1181 Hwy. 128, Glenwood City	715-265-4248
5. Sign the processors' log sheet to verify the donation. The entire deer must be donated to receive the processing costs for free. The head and antlers may be removed for mounting.

The donated deer will be processed at the USDA approved sites, ground into venison packages and distributed to food pantries. Processing costs are covered by the Wildlife Damage & Abatement Funds.

Good Luck Hunters, we hope for a successful season for you and our local food pantries!
