Quick Exports: Creates Excel spreadsheet of your current search list

Quick Reports: Creates PDF of your current search list

Filters
Add filters and click "Search" to find members who meet specific criteria.

Flag Options
Clear your flags or flag all members

Flags
Highlight specific members, check "Yes" on the "Flagged" filter, and then click "Search" to generate a list with just those members.

Clear Filters
Reset your search and see every member (past and present) again. This option will **NOT** clear flags.
