Why An Alumni Association?

The Alumni Association began in Sheboygan County in 1991, following the 75th Anniversary of the 4-H program. When the association began, it was an opportunity for alumni to continue communications. The alumni association has a newsletter, which updates members on currently alumni news and information about the current Sheboygan County 4-H program. Over the years, the alumni association has been involved in a variety of programs. They include: county fair promotions, annual alumni banquet, an alumni scholarship program, supporting the 4-H Endowment fund, and other 4-H programs.

Alumni Scholarship: In 1997 the Alumni Scholarship program began. A \$500 scholarship is available to a Sheboygan County 4-H member or alumni to attend a college or technical school. Scholarships are awarded at the annual Alumni Banquet.

Alumni Awards: The Alumni Association annually presents the Alumni Award. This award recognizes leadership given to the 4-H program by the recipient as a member and adult volunteer. In addition the selection committee looks at the recipient’s involvement in both 4-H and the community.
