Tiffany Langteau Memorial Scholarship and Calf Grant Tiffany was a very engaged member of Taylor County 4-H Program and the district 4 Holstein association. She had a deep love for dairy cattle and a great enthusiasm for showing. She could recognize the beauty of any good Holstein. She was entering her senior year at UW-River Falls where she was majoring in Dairy Science and planned on pursuing a career within the dairy industry where she could work closely with good dairy cattle. She had internships at the Red and White Holstein Association and at ABS global. She was very involved in the UW-River Falls Dairy Club, 4-H and FFA. Her goal was to be a classifier. Tiffany was lost way too early. In her name a Scholarship has been established to help young people in the district pay their way through college. Find out more about this scholarship [here](#).

State 4-H Exchange Interest - Missouri 4-H Request Missouri 4-H has a group of approximately 10 4-H youth, ages 13 and up, who have identified Wisconsin as a desired state to participate in a state exchange opportunity. They are hoping to identify a county group of like-minded 4-H youth and volunteers in Wisconsin who are interested in traveling to MO, and hosting their group another year. Their group is fun loving and dynamic, and hails from a rural part of MO. In short, they are up for pretty much anything! Their group is hopeful to travel or host in the summer of 2017. There is a tight time frame, but they are hopeful to find the right group to exchange with and then get the ball rolling. If you are interested or have any questions or ideas, please contact Shaun Murphy, Regional 4-H Youth Specialist at 660-646-0811 at your earliest convenience.
