Farm Technology Days (FTD) Youth Village Helpers Needed

Many opportunities for youth and adults, ages 12 and older, exist in the Farm Technology Days Youth Village! Some of those that we are taking sign-ups for right NOW include station leaders in our *Science Exploratorium*, farm hands for our *Youth Village Children's Farm*, and leadership for our *Walworth County 4-H Promotional & Activity Booth*. Shifts run from 8:30 a.m.-12:30 p.m. and noon-4:00 p.m. each day of FTD (July 19-21). Interested youth and adults are invited to call Debbie Burkman at 262-741-4959 or email deborah.moser@ces.uwex.edu to find out about existing opportunities and to sign up.

Farm Technology Days (FTD) Youth Village Children's Farm Animals Needed

The Youth Village at this year's FTD event will include an interactive Children's Farm! A variety of animals are needed to make this part of the village a success. Animals must come in early each morning of the event and leave between

4 and 5 p.m. each afternoon, July 19-21. Animal exhibitors must provide their own feed and buckets (as appropriate), but bedding will be provided. Animals must meet the same health requirements as those being shown at the fair. Animals will be accepted on a first-come, first serve basis according to need. Please contact Debbie at the UW-Extension office, 262-741-4959 or Leslie Reinke, 262-441-6785, by June 1 if you anticipate having an animal you'd be willing to contribute for one or more days! Animal owners will be asked to remain on the grounds for most of the day they are exhibiting to answer visitors' questions.

4-H Camp Registration Deadline is Near

Just a reminder that the last day to register for camp this year is early—May 23 at 5 p.m. Cost is \$115 per camper. Camp is open to campers currently in grades 3-8. We are in need of a couple of additional female chaperones. Adults, ages 21+, who are interested should contact Debbie at the Extension office ASAP, 262-741-4959 or deborah.moser@ces.uwex.edu.

Fair Silhouette Decorating

This year, each club will receive one wooden youth silhouette to decorate according to the fair theme of Red, White, and Blue. Silhouettes are \$5.00 if your club chooses to participate. You may pay by cash or check to "Walworth County Fair." Please turn your payment into the UW-Extension office. Chelsea will notify you when they are ready for pick-up.

Fair Premium Books

Fair Premium Books are ready for pick up at the fair office.

Fair Registration

Registration for the fair will open sometime the first week of May. An email with instructions will be sent from the UW-Extension Office to all families when it is available.

Area Animal Science Day

Area Animal Science Day sign-up information was distributed by email. This year's event for the southern part of the state is being hosted by Green County on July 1. The registration deadline is May 23 at 5 p.m. This is an awesome opportunity for youth to work on their animal project skills and leadership!

Family Records Training

Family Records Training is set for May 19 from 6:30-8:00 p.m. in the County Government Center. Two fun, fast-paced workshop tracks will be offered: one for youth and the other for adults. The adult track will provide an overview of record book layout, forms, special award opportunities, and tips regarding what to include and not include in your book. The youth track will link project work and record forms and allow for practice filling out a *Project Report Form*. Registration is required for this workshop to ensure enough materials. A minimum of eight families are needed for this workshop to be held. Sign-up by 5:00pm on May 16 by calling (262) 741-4951 and sharing your name, phone number, number of adults attending, and number/grades of youth attending. You can also email this information to deborah.moser@ces.uwex.edu.
