

## The Story of 4-H

**Purpose:** To reflect on what 4-H is and what it means and continues to mean to you and your club.

**Time:** Varies

**Age:** Elementary+

**Materials:** 4-H stories, pictures or newspaper clippings, tape or glue(if physical display), and type of display.

**Instructions:** Gather stories, newspaper clippings, or pictures of your club over the year or years and record them in the best way for your club.

**Suggestions:** Decide which form of display would be the best for you club. Some examples could be a social media source, a binder, a poster board or a scrapbook.

**Reflection Questions:** Did this make 4-H more meaningful to you? Do you think that this would be something that you could continue to do for years to come?
