Volunteer Screening

Thank you for volunteering with the Wisconsin 4-H Youth Development Program.

In accordance with UW Regent and UW-Extension policy, we are required to conduct a national criminal background check for employees and volunteers holding a “position of trust with access to vulnerable populations” upon initial enrollment and every four years.

New this year:

- All reenrolling volunteers need to complete a national background check to reenroll.
- Nearly 5,000 new and reenrolling volunteers have completed the national background check process over the past two years.

If you are seeing this screen it's because you are either a new volunteer or a reenrolling volunteer who needs to complete the national background check process.

You will need to use an e-mail address that is unique to you. Please enter that here.:

joe@4honline.com

Below is an outline of the process:

- Within 15 days of submitting your enrollment, you will receive an email from GIS (General Information Services, Inc.) to request information from you to conduct a background check. Check with your county office if you have not received the email.
 - GIS is the vendor chosen to do the criminal background checks for UW-Extension employees and volunteers.
 - The background checks are done on a national and state level.
- The subject line of the email should read “Action needed in connection with your current volunteer status with University of Wisconsin-Extension.”
- Please check your junk email folder periodically.

Please be assured the GIS website is a secure, encrypted site.

Please respond within 5 days to the request from GIS.

If you have any questions about the background check process, please contact Angela Schulz at 608-262-0826 or email her at angela.schultz@uwex.uwc.edu.

Thank you again for watching for this e-mail. And thank you for your interest in volunteering for Wisconsin 4-H Youth Development.

I am applying to be a UW-Extension volunteer
and acknowledge and understand that my record
will be checked.:
